

## Donations!

Our reunion committee is doing more than just providing for the reunion.

- We are providing for assistance to classmates who cannot otherwise afford to attend the reunion.
- We are providing our current, accurate database to LCHS to help update their records.
- We are funding the creation of a digital yearbook for 1968. This will be posted to the Lewis and Clark High School webpage: ([http://www.spokaneschools.org/lewis\\_clark/history/yearbook\\_project/index.htm](http://www.spokaneschools.org/lewis_clark/history/yearbook_project/index.htm))
- We are exploring the concept of an enduring gift from our class to the school. If you have any thoughts for such a gift, please use the ?Contact Us? function on this website and tell us what you think.
- You may send your donations to the Reunion Committee address. Thank you for your support!  
Clearly mark on your personal check that it is a donation and mail it to:
