

'Wizard of Id' Characters To Be Featured in Sales

Characters of "The Wizard of Id," a popular comic strip, will be used in this year's Tiger Sale, tomorrow through Nov. 18, said Jennie Adams, editor.

The 16 salesmen chosen recently by the Tiger staff are Suzi Yamamoto, Jan Jensen, Cathey Barrett, John Horn, Ann Fogelquist, Connie Christman, Dick Ellis, Jennie Adams, Paul Luppert, Kris Andersen, John Brown, Beamar Huetter, Kathy Shannon, Charlene Dupper, Bari Newton and Dawn Davidson.

Jennie said that many changes will be made in this year's Tiger. "We are attempting to break away from tradition more than ever," she said.

Individual Pictures Planned

For the first time the entire classes section will have individual pictures. More colored pictures are planned, but their number will depend on the success of the sale.

All of the Tigers will have padded covers this year and will cost \$5.

On purchasing his book, each person will receive a stub from

the Tiger salesman. He must keep this stub until next spring when he can exchange it for a Tiger, Jennie explained. A chart in the hall will show the progress being made toward the 1,400-book goal.

Charts Will Show Sales

Separate charts will show the percentages of each class and how they compare with each other, she said. Traditionally the seniors lead in this race, but the underclassmen are expected to do very well this year.

"All 26 staff members are working very hard," Jennie said, "and we're planning many surprises for this year's Tiger."

PTA to Hold Open House

PTA will hold the first open house of this year on Nov. 8, according to Mr. William E. L. Donner, principal.

"We are hoping that parents will turn out in great numbers," he added.

LC Leaders Talk at Con

Lewis and Clark leaders learned the values, rewards and responsibilities of leadership during conferences last summer.

The representatives presented their ideas to the Boys' and Girls'

Federations' split con on Oct. 25. Charlene Dupper attended the Twinlow Leadership Conference at Twin Lakes, Idaho. "I found that leadership is a full-time job," she said. "You have to display responsibility at home as well as at school."

Ann Fogelquist and Suzi Yamamoto were LC delegates to Evergreen Girls' State in Ellensburg, Wash. There they actively participated in American politics on a statewide scale.

Purpose Told

The Boys' State representatives were Ron Honda, Bari Newton and Skip Buchanan.

"The purpose of Boys' State is to learn about government by establishing our own," said Ron. "We were divided into groups which represented cities; two cities were a county. Each of these divisions elected officials and made laws."

There were two political parties, the Blue and the Gold. Each nominated boys for state, county and city offices, said Ron.

Bari Newton was elected state commissioner of public lands.

Leaders Speak

Skip told about the daily schedule which included assemblies, caucuses and recreation. They heard speeches from A. Ludlow Kramer, secretary of state; Mayor Neal R. Fosseen and Lloyd J. Andrews, former state superintendent of public instruction.

Boys' State was held from June 12 to 19 at Gonzaga University.

The new Boys' Federation officers were also introduced at the con. They are Skip Buchanan, president; Mike Saad, vice-president; Bob Minnix, secretary; Ron White, treasurer, and Bill Etter, fifth executive.

Apple Jinx Hits LC Again

After approximately two days in operation, the newly installed apple machine broke down, reported Jim Hijiya, Associated Student Body president.

Kennedy, Nixon Endorse Local Candidates; Tom Foley, Mrs. Powers Receive Assists

New York Senator Robert F. Kennedy and former vice-president Richard M. Nixon both came to Spokane last week, Kennedy to support Tom Foley and Nixon to support Mrs. Dorothy R. Powers.

"Pleased and grateful for his service" was the expression used by Senator Robert F. Kennedy, Democrat, New York, at a rally for Tom Foley, Fifth District congressman at Spokane Community College, Oct. 25.

Large Crowd Attends

The senator's talk, sponsored by the Associated Young Democrats of Spokane County, was to a large crowd consisting mostly of students.

The senator said it was fitting that young Americans take an active part in their government because they will someday run the country.

Sen. Kennedy said that Mr. Foley was highly regarded in Washington because he faces problems and finds answers. He said that "Congress needs able, energetic people like Tom Foley."

Sen. Kennedy said that he believes that Rep. Foley runs not for what he has done in the past but for what he can do in the future.

"We are the leaders of the free world," said the senator, "and we need people who recognize our responsibility and obligations to people all over the world. We need a man who understands and has compassion." He said he believes that Mr. Foley is that man.

Nixon Arrives

"I see America lacking the leadership it needs abroad . . . and at

home," said "Mr. Republican," Richard M. Nixon, at Thursday's airport rally.

The former vice-president stopped at Spokane International Airport to endorse Fifth District congressional candidate, Republican Dorothy R. Powers. Accompanying Mr. Nixon were Mrs. Powers and Washington Governor Daniel J. Evans.

Leadership Needed

"We need new leadership," Mr. Nixon said. "I know one place where we can start to get it—by electing Dorothy Powers to Congress."

Mr. Nixon predicted a good election year for Republicans be-

cause "the quality of candidates we have today is at the highest." Noting many youthful faces in the crowd, he commented on the latest ". . . dance craze, the Johnson Drag."

Criticized Johnson

He criticized President Johnson for referring to Congress as "my Congress." "The Congress doesn't belong to Lyndon Johnson; it belongs to you, the people," he said. Mr. Nixon also added that the greatest leadership is produced when the two parties compete.

Following the rally Mr. Nixon held a brief press conference, after which he boarded a chartered plane for Boise, Idaho.

Girls' Fed Dessert Will Fete Fathers

LC gals will treat their favorite "guys" to an evening on the town tonight when the Girls' Federation presents its annual Dad-Daughter Dessert, "Yes, Sir, He's My Daddy."

Activities begin at 7, the first serving time. The program is scheduled for 7:30, and at 8:15 the second serving will start, said Denise Garceau, general chairman.

Changing styles and tastes from Dad's teen years to Daughter's is the theme of the show.

Katie Garvin and Tammi Fotheringham will act as narrators. Other participants are Sue Riley, Sally Lancaster and Tanni Dixon. A pantomime about math will be presented by Judy Crane, Colleen Shannon and Sue Rihm. Sue Swearingen and Ellen Pearson will do a football sequence, Denise said.

Specialty acts include singers Laura Bond, Robin Schultze, Tanni Dixon and the trio of Charlotta Bradley, Georgia Cavé and Gloria Allen.

Joanne Gould, the author of the script, will do a monologue.

Dads Perform

Katie Shanewise, Gail McWilliams, Laurie Hutchison, Nancy MacDonald, Beamar Huetter and Lu Kennedy will perform a dance-line routine.

The tables will be turned when the father barber shop trio of Mr. Donald C. Newton, Mr. Oscar E. Dupper and Mr. Wayne L. Garceau entertain.

The Percussion-nauts, a band headed by senior Dick Lopes, will provide a musical introduction to the program, Denise concluded.

Girls-Only Show Will Be Nov. 10

Simplicity Pattern Co., Homemaking Department and the Girls' Fed will present a con for girls Nov. 10.

Miss Barbara Taylor, Simplicity's educational stylist, will present a new wardrobe styled especially for teens. The collection will include pointers on how to plan a well-coordinated wardrobe that contains the newest looks. This includes sportswear, suits, daytime dresses and formals.

There will be selections for the casual type, ingenue type, outdoor type, neat and natty type and the sophisticated type.

Simplicity has planned "Personality Fashions" to inspire every teen to sew. Teens will be discovering new fashion looks to suit their personalities.

Nat. Book Week Through Saturday

National Book Week is Oct. 30-Nov. 5, announced Mrs. Bernice Bruton, LC head librarian.

The primary reason for this week, Mrs. Bruton said, is to call the attention of the reading public to all the library facilities that are available to them. At Lewis and Clark this includes quantities of reading materials in the way of books, periodicals and pamphlets for faculty and students alike, which they are encouraged to use, not just this week but at all times.

Wizard Speaks: Tiger Sale Tomorrow

Postfootball Frolics Riotous

About 10 kids crammed into the small hardtop and were on their way to town after a recent football game.

First stop was the local hamburger joint, which, when they arrived, they found was already packed with many of their friends and kids from their rival schools.

Somehow, "our group" got a bit too close to the car ahead, or maybe they muttered a few uncomplimentary words about the school they played at the game that night.

This is the beginning of the Friday night postfootball "frolics" which usually conclude with people getting hurt or cars getting bashed.

It's too bad that students can't refrain from these postgame activities and instead put a little more of their energy and enthusiasm into the game. —M.A.C.

Do the Lilac City and Whittier grade school produce great leaders for the Girls' and Boys' federations?

Well, they must, because Charlene Dupper and Skip Buchanan, presidents of those two organizations, were both born in Spokane and attended Whittier before coming to LC.

Charlene Dupper

"To understand all people I know and to get along with them" is Charlene's goal in life. Well on her way to achieving this goal, Charlene has the respect and admiration of many good friends.

As president of Girls' Fed, Math Club and Book Club, secretary of Thespians and a Ti-Girl drillmaster, Charlene does more than her part for LC.

A lover of sports, and horseback riding in particular, Charlene said she likes people in general. "My life has been influenced by everyone I've met," she said, "and each teacher I've had has taught me something."

Psychology Major

Charlene plans to attend college and major in psychology and guidance and counseling, hoping eventually to be women's dean in a college.

Charlene feels that religion should play a large part in a person's life and that he should follow his heart. "If everyone follows the Golden Rule and his chosen belief," she said, "then his life should be well-lived."

Skip Buchanan

Charlene's counterpart for the Boys' Fed, president Skip Buchanan, is also Senate Club treasurer and a member of Key and Lettermen's clubs.

Rootin' Tutors

By MARY HULL

Mr. James H. Hamilton, history teacher and Senate Club adviser, is a native of Jackson County, Iowa.

Mr. Hamilton attended the State College of Iowa and taught for 10 years in Iowa before coming to Spokane. He was at Franklin elementary School for four years and has been teaching at LC for five years.

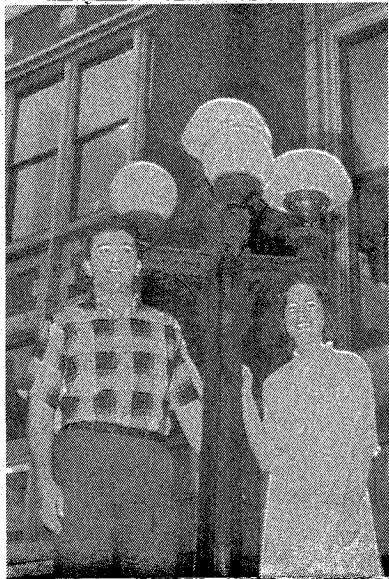

During the war, Mr. Hamilton was a Warrant Officer and worked in the administration at the hospital at Fort Wright, which was an Air Force convalescent hospital.

He enjoys gardening and likes sports. Mr. Hamilton has a daughter who is a student at the University of Puget Sound, and a son at WSU. They are both LC graduates.

Skip, a husky tackle for LC's varsity football team, is another sports enthusiast. He said he especially enjoys both snow and water skiing.

Last year's Friendliest Junior Boy and a Boys' State represent-

ative, Skip believes everyone should "look for the good things in people." The person who bothers him most is "myself sometimes."

Skip recalled a very embarrassing incident from his days at Whittier. As president of the Eighth Grade Class, he was called upon to make a speech for "the parents and everybody." Some of the LC freshmen, returning to their old haunt, gave Skip a bad time and he got very mixed up on his lines. He became terribly flustered and feels he'll never quite live that down.

Moon Pilot?

As to future plans, Skip said "This may sound silly, but I'd like to go to the moon."

In the more immediate future, he intends to go to WSU and major in business administration.

Last year the School Board prohibited sixth-period athletic turnout. It then exempted the sportsmen from physical education, giving them a study hall. What do the athletes themselves think of this ruling?

One hundred percent of the Lewis and Clark athletes polled said they preferred the sixth-period turnout.

Mike Reilly, LC senior and wrestler, said, "Not having sixth period available for practice cuts an hour out of the day. We get home an hour later, so we have to rush everything. Practice ends at six, giving us only about four hours to eat and do homework."

On the extra study hall, Bari Newton, senior and trackman, said, "It's useless. Even though I have a study hall, I still have homework to do because I can't get any homework done in a study hall."

The School Board should reconsider its actions. Not having sixth-period turnout is an inconvenience to the athlete; it shortens his day by one hour.

'Struggle Along' For Almighty A

First period—"So you're a 4.0 student, huh?"

"Yes, sir, only one semester to go for a perfect record."

"It sure would be a shame to spoil that, wouldn't it?"

"Oh, yes sir, I agree completely."

"That test you got a C on wasn't so important, was it?"

"Why, no sir, it was only our big unit test."

"We'll just drop it out, and look here, you'll get an A."

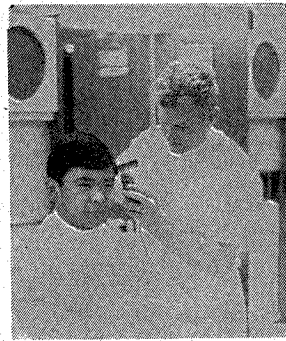

Second period—"So you're a 4.0 student, huh?"

"Yes, sir . . ."

Precollege Test To Be Given Sat.

The Washington Precollege Test, required for admission to any Washington state college, will be given this Saturday for students whose last names begin with A-K and next Saturday for those beginning with L-Z, said Mr. George W. Palmer, dean of boys.

Given in Room 107, this test will start at 8 a.m. and finish around 3:15, he said. There will be a one-hour break for lunch, but the cafeteria will not be open. The \$5 fee will be collected at the time of the test. Checks should be made payable to Spokane Community College, not Lewis and Clark, as SCC will be handling the money, Mr. Palmer explained. He added that in Room 104 there is a list of the students registered for this test. Any senior who is not registered, yet wishes to take the test, should get his name on the list.

He also mentioned that anyone who cannot take the test on the date scheduled should see him immediately.

Special Committee To Judge Talent

Five judges, who will select acts from Lewis and Clark to be presented at the all-city talent con, were chosen at the Associated Student Body council meeting Thursday, said Jim Hijiya, ASB president.

The judges are Mr. Donald G. Black, Mrs. Muriel Rossing, Mary Jane Corliss, Steve Getman and Jan Jensen. A sign-up sheet is available in the front hall for the all-city con publicity committee, Jim said.

Suzi Yamamoto was chosen March of Dimes representative for LC, he said.

The ASB concluded the Red Cross drive for articles to send to soldiers in Vietnam. "We collected a large box, mostly of paperback books and toothbrushes," Jim added.

Talented Senior Dances at Banff

To improve her ballet and jazz dancing technique, senior Sandy Holmes spent six weeks last July and August at the summer fine arts school at Banff, Alta., Canada.

The Banff school tutors about 1,800 high school, college and professional performers from all over the world in dancing, drama, musical theater, opera, painting and photography.

On Scholarship

On a Ballet Society scholarship, Sandy took two or three lessons a day, five days a week.

As a member of the Banff Opera Company she appeared in Banff, Calgary, Lethbridge and Edmonton, she said. She performed a "character dance" (as a devil) and a can-can in "Orpheus and the Underworld."

Kept Busy

Sandy spent her free time seeing films, hiking, singing at hootenannies, swimming and, predictably, dancing. She also saw and heard performances by other artists, she said.

Hopes High In All-City

Multitudes of runners will be lining up tonight at Shadle Park for the All-City cross-country meet that will determine the city champion of 1966.

Lewis and Clark should be that champion. Finishing first in Division II, where the main cross-country power lies, scoring sweeps (the first five places all taken by one team) over three other squads, and taking team trophies in the juniors' and seniors' divisions at the Highlander Invitational near the beginning of the season, the Tigers have fielded a squad even more powerful than the State champion team of 1961.

Two teams still remain in solid contention. Ferris, with Joe Ross leading them, is number one on "beat 'em" list and Shadle Park will be another team to reckon with. Ross and Tom Burkswist of LC will be vying for first-place honors, and Central Valley's Pete Whitford provides just as large a threat to Burkswist as does the Saxon. LC has beaten both Ferris and Shadle Park, with the latter team being one that was swept by the Tigers.

Although Central Valley, with her 4-0 record, may also look like a major threat according to league standings, there is little doubt about her lack of authority. In a noncounting cross-over meet with Division II team John Rogers, CV was beaten 27-29. Rogers is one of the bottom teams of her division, while CV leads Division I.

Girls' Sports Begin Soon

New officers for Girls' Intramurals are Ann Fruechte, president; Mickey Roberts, vice-president; Dawn Wyatt, secretary, and Eileen Mathews, treasurer, said Miss Virginia Danke, adviser.

The girls are now practicing for volleyball matches with other schools, which will be scheduled soon, she added.

This illustrates the unevenness of the two divisions.

Shadle Defeated

Last Wednesday the LC road-runners handed Shadle Park her first sweep defeat, a 15-45 coup de grace. Tom Burkswist bettered his time from last week on the same course, Comstock, by almost eight seconds as he raced a 9:53.7 to finish first. His sophomore brother, Phil, was in second with a 10:01. Phil has improved by 41 seconds in the past three weeks. Gordie Veium was next in 10:13 and Sonny Anderson came from behind to beat Mike Travis for the fourth spot. Anderson was one second behind Veium; Travis finished two seconds after that. Bari Newton and Fritz Gibbs completed the varsity lineup. Both finished in the top 10.

B's Undefeated

The B squad also had a heyday as they won their fifth meet and finished atop the league. Dick McAuliffe set a course record that day at Comstock to lead LC to victory over SP's B's, 20-37. McAuliffe's time, 10:42, bettered by one second the record set last year by Phil Burkswist. Tom Porter staged an amazing come-from-behind to take second place in 11:05, his best time of the year. Shadle's Ron Huntschild slipped in for a third, Jim Williams was fourth in 11:07, John Skadan finished in a dead heat with SP's Brent Whicker at 11:20 and Paul Fenske completed the LC scoring with an eighth place and an 11:46. Other LC runners were Jay McAuliffe, Dan Froese, Steve Clouse and Chris Tollackson.

Tigers Mangle Saxons; Bill Etter Gets 3 TD's

By ROD GIER

Three touchdowns by Bill Etter led the way for Lewis and Clark's crushing 46-7 victory over Joel E. Ferris at the annual Shrine football game Friday night.

Etter, probably the fastest-improving quarterback in the city, completed 10 of 14 passes for 178 yards, and sparked the LC rushing attack with 54 yards. His 3-yarder to Bruce Johnson was his 11th aerial TD of the year.

Tigers Take Lead

It was the Tigers all the way. Ferris never had a chance. LC took the opening kickoff and in eight plays had a touchdown with Etter throwing passes for 14 and 24 yards. LC scored the first four times it had the ball and led 32-0 at the half.

Bob Minnix became Etter's favorite target and gained 88 yards, making his total gains 569 for the year.

Ferris was having its troubles. Nothing seemed to go right for the Saxons' offense or defense. In the first half, Ferris gave up long yardage almost every time LC controlled the ball.

Art Ashe Injured

The Tigers lost one player, Art Ashe, who was rushed to the hospital after hitting a concrete wall head-on, while making a spectacular catch. He reportedly had nothing more than a sore head and was released and sent home.

Etter scored the first two touchdowns—one from the 1-yard line and the other from the 9-yard line, and then Ray Bell raced 73 yards with a punt return to make it 19-0 for the first quarter. Etter scored one more in the second quarter and so did Bell.

Etter also starred in the Shadle

Park game where LC came from behind to win 22-19.

His 62-yard broken-field run was spectacular, and he was hit three times before going down.

Minnix and Etter were the leading ground gainers. Minnix picked up 62 yards and Etter 73. Etter also completed five passes for 50 yards.

Four plays stand out in this game. One is the 62-yard run by Etter, the second a goal-line stand by the LC line in the fourth quarter, and finally the combination of passes by Etter to Bob Leslie for the tying score, followed by Art Valiquette's successful conversion.

B Gridders Lose; Tigers Score Two

Lewis and Clark's B-squad gridders lost to Rogers 24-12 last Thursday.

Jay Nichols scored both touchdowns for LC after long runs by Daryl Redeker.

Late in the first period, Redeker ran 60 yards, moving the ball to the Rogers seven-yard line. Then on a handoff from quarterback Dave Nail, Nichols ran through the line and in to score.

With 30 seconds left in the game Redeker ran for 30 yards which again set up Nichols for a six-yard touchdown run to make the final score Rogers 24—LC 12.

The B's record is three wins and two losses, with two games left to play.

By MIKE DERRICK

Lewis and Clark gets another crack at Gonzaga this Friday afternoon at Hart Field in what could be the game that breaks the Bullpups' win streak and stops them from setting a new league record.

That record is for consecutive wins, a mark which was tied last week by Gonzaga as they beat Shadle Park. That was the Zags' 20th straight win, and it tied the 20 straight recorded in 1932 by a Bullpup squad. In that year, Gonzaga had won seven league and 13 nonleague games. Now they are trying to erase that mark with their 21st consecutive win, all in league action, as there are no non-league games played.

Tigers Bar Path

So the Tigers are the only obstacle in the path of mighty Gonzaga. Just as their loss to Prep in the last game of 1964 started the win streak, an upset Friday afternoon could end it.

If they can plug up a few holes in the line, they should be able to hold down the Gonzaga rushing attack, Prep's greatest weapon. After that, the next important thing seems to be watching for the long pass.

Watch Dave Reil

Most of all, they must keep an eye on GP's Dave Reil. He had been the league's leading rusher for quite a few weeks before Bob Minnix of LC and Don Henthorn of Rogers moved in to overtake him. He is Gonzaga's best running back, now that Don Rosselet is out on injuries for the season. He, with Fred Hare and Joe Jakubiak, are the ones LC will go after.

Boys' golf and tennis are over for the fall season, and could be harbingers of things to come this spring. If this is so, the outlook is good for next year as both squads wound up atop their leagues. Boys' tennis was undefeated this fall and the golfers recorded one tie with a 4-0 win-loss record to end up ahead of top contender, Shadle Park.

Richter, Kato Shine

Ken Kato and Craig Richter, two net standouts during the season, combined in the All-City Tournament to win the boys' doubles. Mike Merrill and Kathy Habbestad were paired in the mixed doubles and made it through the semifinals before being defeated by Shadle Park's Dennis Wilson and Linda Exley.

The golfers had their trouble as they placed fifth out of 11 teams in the All-City Golf Tournament at Downriver. Hal Dixon shot a 40, Bruce Brevet and Rick Wilson both came through with 38, Mike Uno was high with a 45, Tim Phillip a bit better at 43 and Gary Protto had a fine 40.
